

Prekindergarten Class Newsletter

As Easter approaches, we will be very busy doing the traditional egg dyeing and basket making this week. We will go for an Easter Egg Hunt on Thursday and our Bible theme is Easter of course, with an emphasis on the resurrection.

We will be on the lookout for signs of spring this month! We will learn about flowers, butterflies, birds and other spring things!

We will also be learning about our earth and how we need to take good care of it. We will be sorting some items for recycling and creating art out of other items! The third week in April we will take a walk to Mission Mill to look for signs of spring and feed the ducks. (More information to come)

We will end the month learning about trees, plants, and seeds. We will talk about how important trees are in our world and examine different types of seeds. Then we will plant vegetable and flower seeds in our own mini gardens and watch them grow! As soon as the plants are an inch or two tall, you can take them home!

Our Bible themes this month will be about Psalm Sunday, the Last Supper, the Easter story with the focus on the Resurrection!, and Jesus returning to Heaven and sending us the Holy Spirit.

PLEASE MARK YOUR CALENDARS:

Friday, April 3rd -- Good Friday. No School or Child Care
