

PRESCHOOL 3'S CLASS NEWSLETTER FOR NOVEMBER 2024

Wow! It's November already, how did that happen?

We will be busy this month learning about our **five senses** and also using them as we learn of all of the wonderful **foods** that God has provided for us. Emphasis will be on healthy food and what it does for our bodies. We will make a healthy, fun snack together and practice using different utensils.

We will learn about the **first Thanksgiving** with an emphasis on sharing. We will learn about each others family traditions. We will learn what it means to be Blessed. Projects will include turkeys, cornucopia, and the Mayflower. We will conclude by joining our friends for a feast. We will be making food to bring and share.

Our bible stories this month will be "Kings of Israel", "God's Prophets" and "Esther".

UPCOMING EVENTS
