

KINDERGARTEN NEWSLETTER FOR MARCH 2026

Parents,

February was another very busy "fly by" month and now March promises to be a busy/short month since **Spring Break** is taking up a week!

We will start out by celebrating Dr. Seuss week! Time to don the Dr. Seuss wear or even dress up as a different character each day! Wednesday, the 4th will be our "Wacky Wednesday" in honor of his book by that title. Be sure and help your child get his/her wacky on for the day! Then we will move on to our unit on **space**, so our dramatic play corner will transform into a space station!

Along with all of the above, of course we will take time to work on our reading, writing and math! It's time to learn to tell time on the hour and half hour in **MATH!** In **WRITING WORKSHOP**, we will be working with prompts along with the genres we have been working on. In **READING**, we are working on blends, digraphs and adding more sight words! They are doing great with reading and really putting the work in! I am so proud of them! ♥

MARCH UNITS OF STUDY

Science -Space, Wind/Air

Social Studies -Transportation

Writing Workshop - Prompts, Letter Writing, Writing for a Reason

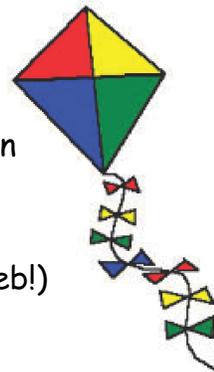

Math - Telling Time, Coins, Story Problems

Literacy: Blends, Digraphs, Take Home Book Folders
