

PREKINDERGARTEN CLASS NEWSLETTER ~ SEPTEMBER 2024

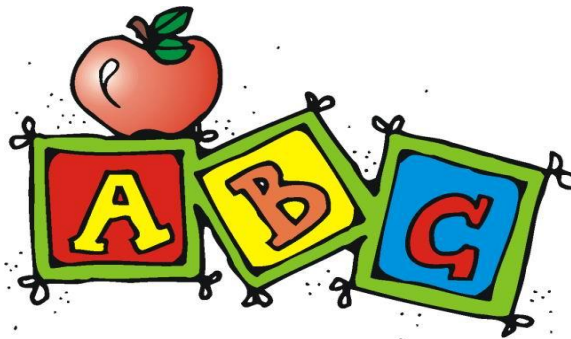

This month we will spend time getting to know each other, learning names, and getting use to the routine. Classroom activities will include lots of choice times to allow for exploration of the room. We will make self-portraits for our portfolio's to compare to the ones that we will make in the spring!

We will be learning about how God created us and how we all are unique. We will spend time learning about babies and their special needs as well as how we are growing up. We will compare ourselves to babies to see how much we have grown and changed. **(Please send a baby picture of your child and we will have fun guessing who it is and comparing how we are the same and different)** We will measure our height and weight (and again in spring to see how much we grow!). We will also talk about our families and how each of our homes and families are unique. **(Please send a family picture too!** Or email pictures bethk@stjohnsalem.org)

We will be taking a field trip to the apple orchard this month. See parent bulleting board for more information and to sign up if you'd like to come with us. (Cost is \$3 per child.) We will learn about the different apples and learn about their harvest. Back at school, we will compare different kinds of apples, have apple crafts, and apple prints!

Our worship stories this month will start off learning about God, the Bible and Prayer. We will then learn about Creation, Abraham, and Joseph.

Reminders:

- * Please have an extra set of clothes in your child's backpack or cubby every day. Accidents happen and even a small spill can be uncomfortable.
- * Please remember to sign your child in and out every day.
- * Check parent bulletin board for field trip information and to sign up to join us! 😊
- * If you have any questions about ANYTHING, please don't hesitate to ask! It's going to be a fun year! 😊
