

KINDERGARTEN NEWSLETTER FOR MARCH 2023

Parents,

February was a very busy "fly by" month. Why do they seem to go faster as the year progresses?!

The first full week of March (6th- 10th) will be all about **Dr. Seuss**. That Wednesday, March 8th is **WACKY WEDNESDAY**, so please help your child **dress up** as wacky as possible! Other activities will center around "The Cat in the Hat", "Green Eggs and Ham", and "The Sneetches". The final two weeks will be all about **SPACE**, and our dramatic play corner will be transforming into a space station, complete with a rocket. Both of these themes are not only fun, but also full of learning opportunities across the curriculum!

Of course we will continue to work on our reading, writing and math! It's time to learn to tell time (on the hour and half hour) in **MATH!** In **WRITING WORKSHOP**, we will continue with our bookmaking with an emphasis on adding details, and Author's Chair. In **READING**, we are working on blends, vowels, digraphs and adding more sight words! ♥

MARCH UNITS OF STUDY

Science - Wind/Air and Space

Social Studies - Health Habits

Writing Workshop - Book Making, Author's Chair

Math - Ten Frames, Number Bonds, Telling Time

Literacy: Blends, Vowels, Digraphs, Take Home Book Folders
