

Miss Beth's PreK Class May/June Newsletter

In preparation for Mother's Day, we will be learning about what makes each of our mom's/grandma's special. Of course we will also spend some time this week working on a special surprise.

After a long winter we will discover what bugs we can find! We will learn the purpose for different insects and hopefully find some in our playground and bring them in to study and watch them (then set them free after class 😊)

We will also learn about different farm animals and pets and how to take care of them. If you have a family pet, please send in a picture and we will "show & tell" about the pets we have.

We will continue with our animal themes by learning about wild animals, zoo animals and ocean life animals!

In June, we will review what we have learned about the other three seasons as we learn about summer and what makes it special. We will share our summer plans with each other.

The Bible stories this month will be based on "The Fruits of the Spirit". Love, Joy, Peace, Patience, Kindness, Goodness, Faithfulness, Gentleness, and Self Control.

SPECIAL THANKS...

...to each of you for sharing your precious little one with me for this school year...it has been a pleasure and a privilege to work with them each day! 😊

Important Dates:

- Thursday May 18th—Field Trip to Gilbert House. Cost is \$10 per person. Sign up on parent bulletin board if you'd like to come.
- Monday, May 29th—No preschool or childcare in observance of Memorial Day
- Wednesday, June 15th—Last day of school Pizza Party! (We will provide lunch, no need to pack one.)
- Wednesday, June 15th--Spring program (more information to come)
