

Prekindergarten Class

March Newsletter

This month we will start off with our focus on Dr. Seuss! It will be a fun week of learning through activities based on several of the great Dr. Seuss books including "Green Eggs and Ham" and "The Cat in the Hat". Wednesday, March 5th is "Wacky Wednesday" so please encourage your child to dress wacky (wacky hairstyle, clothes on backwards, two different socks or shoes, etc.).

Health and Safety will be our next focus. We will learn about the importance of taking care of ourselves by getting enough rest and exercise, brushing our teeth, and going to the doctor, etc. We will talk about being safe riding bikes and walking across the street with adults. We will be learning about fire safety as well (stop, drop, and roll, and practicing fire drills).

We will end our month learning about wind, air, and space. We will be making kites and pinwheels as we learn about wind and all the things it can do.

Our bible stories this month will be "The Lost Sheep", "Ten Sick Men", and "The Glory of Jesus".

Important Dates

Wednesday, March 5th---Wacky Wednesday

March 24th-28th Spring Break—School Closed
