

Prekindergarten Class

OCTOBER 2026

This month we will learn about all our different feelings and we will discuss how we need to consider the feelings of others. Making our "feelings" book and drawing faces in shaving cream will be some of the activities that we do this week.

We will also learn about seasons and weather with an emphasis on Autumn. We will carve pumpkins and visit a pumpkin patch to get pumpkins (see below) as we learn about the bounty God provides for us! We will also learn about preparing for winter (squirrels gathering nuts, birds flying south). We will begin our observations of the tree on the playground and continue to watch it change throughout the season. At home you may want to point out various signs of fall around your home and involve your child in raking leaves and preparing for winter (covering pipes, gathering wood, etc) whenever possible.

Our Bible stories this month will be about Moses, (How God protected him as a baby and The Ten Commandments) Joshua and the wall of Jericho, and King David.

Upcoming Events

Friday, Oct. 9th—Teacher In-Service—School closed

Friday, Oct. 23rd—Field Trip to Pumpkin Patch! More information on the parent bulletin board. Cost is \$6.75 for child and \$5.75 for adults (please pay cash by Friday Oct. 21st)

Reminder: Your child will need a white, 1 inch binder with a clear cover, for class. If you haven't brought one in yet, please provide one this month. Thank you!
