

PRESCHOOL 3'S CLASS NEWSLETTER FOR FEBRUARY

This will be another busy month, full of activities and special events!

We will learn about **community helpers** and the many types of jobs in our community along with the tools that workers use. We will turn our housekeeping area into such things as a post office, restaurant, and police station.

We will learn about **St. Valentine** and how the holiday originated. We will learn about **friendship** and what it means to show love to one another. We will prepare for our party by making special containers for our Valentines. We will also make special Valentines and read a variety of stories about the topics. We will have a Valentine's Day party on Wednesday, Feb. 14th. There is a list of children in the class attached so that you can bring them each a Valentine! :)

We will learn about **Oregon** and **Salem** and what makes each special. We will paint the Oregon flag.

As we learn about our country, we will be introduced two past **presidents**; George Washington and Abraham Lincoln. Activities will involve log cabins and cherry trees! We will also become familiar with our current president.

Bible stories this month are "Jesus Calms the Storm", "Jesus and the Little Children", "Zacchaeus", and "Jesus and Lazarus"

UPCOMING EVENTS (Mark Your Calendars)

Wednesday, February 14th-----Our Class Valentine's Party (bring Valentines).
(If your child does not attend on Tuesdays, he/she can bring them before or after.)

Monday, February 19th-----No Preschool Or Child care/President's Day.
